

COVER STORY

DEVELOPMENTAL ACTIVITIES: APRIL-JULY

In this issue:

CASH CROP: MENTHA

Many farmers are resorting to grow mentha crops as it is very profitable. We have introduced them to Paushak super for cultivation.

INTERACTION WITH KEY DISTRIBUTORS AND CHANNEL PARTNERS

A series of promising meetings have been held.

DEVELOPMENTAL ACTIVITIES: APRIL-JULY

Field visits had been organized aplenty to assist and familiarize farmers with our products.

FIELDS OF EMERALD

It's that time of the year again. Farmers magically and tirelessly sow new life in their emerald fields to feed our ever growing population of hungry mouths.

They rely greatly on the approaching rain clouds to breathe life to their thirsting fields. Their prayers are finally heard and the rain comes with great gusto to work its divine magic on the soil.

We at Krishaj feel invigorated with the coming of the monsoon; our spirits renewed as we work hard to bring a smile on our farmer's faces as we celebrate the coming of the monsoons with them.

SPEAK UP-TAKING A BIG LEAP TOWARDS TRANSPARENCY!

Last year KREPL introduced Speak Up initiative for all its employees. This initiative was rolled out with a vision to build along a culture of transparency and parity across all levels and departments in the organization. The requests received through this platform goes through 3 levels of inter-mediation starting from the dedicated 3rd party team, followed by concerned department and finally to the senior management. Though received hesitatingly in beginning by the employees, this initiative has gained momentum in past 6 months with more than 10 grievances received and successfully addressed. Mr. Rajesh Agarwal, Executive Director of KREPL feels excited about this initiative and says "As an organization, we are steadily trying to build a culture where each and every employee feels respected and delighted while being associated with us; initiatives like Speak Up are milestones towards achieving our vision". KREPL would like to appreciate each and everyone in the organization who showed a brave face and came up with their grievances and suggestions through this platform. Speak Up...We are listening...

Email- speakup@krepl.in

FOUGHT HEAT WITH ARRANGING CHABEEL

The Sankalp Team in Punjab had organized the distribution of Sweet/Cold Water Chabeel during the hot scorching summer weather this Chabeel day (when Sikhs remember the martyrdom of Guru Arjun Dev Ji). This event was held outside our stores in the main mandi areas. It was a great experience serving the public and we also discussed with farmers about our stores creating goodwill in the market.

SANKALP TRAINING: NEW STORES

Before the opening of new stores, training sessions were organized in the states of MP, Punjab and Haryana. These sessions are 10 days interactive program divided into 3 sections. First, the personal development program in which the trainees are taught different concepts like their role and responsibility at the store, concept of retail stores, selling and public speaking skills. Second, part of the training includes product training. Sankalp stores contain a variety of products and each member working at the stores needs to have complete knowledge about it. Third, part of the training is the financial skills in which trainees are taught how to operate the system maintain records and work on the billing process.

CASH CROP: MENTHA

Mentha is becoming a cash crop in many parts of UP like Barabanki, Lucknow, Sitapur, Hardoi etc. Due to its very high support price of 1400 - 1500 / litre for mentha oil, farmers nowadays are choosing this crop with utmost care.

We are promoting Paushak super in mentha from last 2 - 3 years and this year we deployed all our forces on Paushak. WE HAVE SO FAR SOLD 25KL PAUSHAK on mentha from APRIL. Lots of demonstrations and small farmers meetings were arranged. Farmers are very satisfied and some are practising to apply 1g GIBBERALIC in 1 tank of Paushak mixture. To them it increases the oil content of mentha by 10%. It is believed that it makes the stems more succulent.

Overall it was a fantastic experience and myself and Mr. Suresh Reddy visited some demo plots and plots of satisfied farmers who used on their own

KRISHAJ INTERACTION WITH KEY DISTRIBUTOR

The objective was to interact with the potential distributors to understand the current situation in the Market.

This is for general debate around distributor's problem, their solution and also area of improvement in future.

Also, a formal introduction of our New J V with Alga Energy and New Product - K- Max Energy was given.

Below are further details into the matter:

S.No.	Date	Event	Participants	Region	Location
1	04-06-2019	Interaction Programme	RM/SO/SE/Selected Distributor	Hisar- Cotton belt	Sirsa
2	05-06-2019	Interaction Programme	RM/SO/SE/Selected Distributor	Karnal - Peddy Belt	Karnal
3	12-06-2019	Interaction Programme	RM/SO/SE/Selected Distributor	Punjab - Paddy Belt	Ludhiana
4	14-06-2019	Interaction Programme	RM/SO/SE/Selected Distributor	Punjab - Cotton Belt	Bhatinda

From H O – 1. Mr. Surinder Mattoo (Business Head – North) from KREPL

5. Formal introduction of our new J V and new product K Max Energy
6. Company Profile with the future planning
7. Our focus product information and details
8. Benefits of APP uses
9. Our activities updated to be done in next coming season.
10. Low budget meeting with full energy

CHANNEL PARTNERS INTERACTION PROGRAM

The first program of the above series was held at Gorakhpur on 28 /05 . Mr Reddy our president, Mr Anuj from PWC were present at the program.

It was an interaction program with distributors, where Biswas Jee and Reddy jee described our activities in field during last year and this years supporting activities. All the schemes and commercial part were communicated to the channel partners. Mr Anuj made a brief presentation on Krisahaj logo and its Tvc was played. Introduction of new molecules were discussed in length. Distributors unanimously praised our accounts logistic and product portfolio and quality.

After lunch parties discussed their individual problems, of which the main issue was the freight which has not been revised since 4 - 5 years. Mr Reddy assured to address the issue shortly. A small token gift was given at last after the vote of thanks.

Overall it was an interactive and absorbing 4 hours interaction .34 parties graced the occasion with their presence.

 Mobile No. 8411989820
 Crop - Tomato | Total land - 3 acr
 Focus Products -K-MAX
 FA Atul Shelar & Prathamesh Bhor

Corner meeting at village Jaikheda, for tomato
 Dist- Nasik, Focus products- Kmax, Masaki, Flick super

Date : 10/05/2019
 Conducted : Demo.
 Village - Kalankvadi
 Farmer Name: - Satapa Patil
 Mobile No. 970241049
 Crop - Sugarcane
 Focus Products -K-MAX
 DO : Babaso Patil

Date : 05/04/2019
 Conducted : Demo.
 Village -Tadawale.
 Farmer Name: -Dattatraya Shirke
 Mobile No. 9421689558
 Crop - Tomato
 Focus Products -Masaki ,K-MAX ,
 FLIK SUPER

Date : 2/4/2019]
 Conducted : Field Day.

Village -Jaykheda , Tq. - Satana ,
 Dist. - Nashik.

Present farmers - 12
 PDA - 23Ac. Tomato
 Focus Crop - Tomato
 Focus Products -Flick super

Meeting Conducted by: Mr. Amol
 Aher & Nikhil (DO)
 Arranged by :Bhaidas Shinde (FA)

FA: Atul Shelar

Date: - 14.05.2019 Conducted : Demo.
 Village - Gujarwadi Koregaon ,
 Dist. Satara
 Farmer Name: -Sagar Bhosale
 Mobile No. 8208197241
 Crop - Sugarcane
 Focus Products - K-MAX
 DO: Ajay Chanchkar

WELCOME: MR. PRAVIN BAROT

We are pleased to welcome Mr. Pravin Barot in the KRISHAJ Family. He is joining as Vice President - International Business and will be based in our Mumbai Office

Mr. Barot is a Commerce Graduate from Sydenham College, Mumbai and holds a Masters Degree in International Trade from Symbiosis Institute of Management Studies, Pune. He is a hardcore International Marketing professional with more than 27 years of experience. He worked with various reputed companies in his illustrious career starting from Sai Service, Savita Chemicals Ltd., Meta Strips Ltd., Sabero Organics Gujarat Ltd. (now Coromandel International), Meghmani Industries Ltd. and lastly with Sulphur Mills Ltd. His interests include sports, travelling & reading

WELCOME: MS. YOGITA KALE

Yogita Ji joined KRISHAJ a few weeks ago but has already become a part of our community. Her zeal to learn and teach something new every day gives her the edge in the work space.

She has an experience of 18.5 years in total with 15.5 years' experience in hard core pesticide registration. Earlier she worked with Sabero Organics Gujarat Ltd. (now Cormomandel) as Head of Registrations for over 7 years and over 8 years in Sulphur Mills Ltd. heading the overseas registration dept. She specializes for product registration in: South America specifically Brazil, Argentina, Central America, USA, Asia, Africa, Russia, CIS, middle east and also the European Union having the strictest of the regulations.

She says "I look forward to having an exciting and fruitful career with Krishi and hope that that company benefits from my experience and exposure on registrations that I have acquired till date. Will work towards making KREPL a known name in the list of all the regulatory authorities across the world and get as many registrations as possible

WELCOME: MR. SURESH PITLEHRA

Mr. Suresh is glad to join Krishi Rasayan as Head-Regulatory affairs and Product development. He has a Masters in Entomology with work experience of 19 years. He worked on several generics and new chemistry. He has worked on fungicides, pioneer insecticide and herbicide and has extensively worked on Biostimulant. On Seed treatment side, screened out excellent product and work is currently going on. On the product development side, he has worked on entirely new proprietary products, which are new to the Indian market. With some joint ventures happening globally, we have a very planned and progressive approach to get into some new chemistries as well.

STAR PERFORMER for KREPL M/S Gandhi Krishi Sewa Kendra

We have honored him in Elite Channel Partners. A meet was held at Jaipur on 8th June 2019. He is the winner of Highest sale for FY 2018-2019.

For FY 2019-2020 he committed sale of Rs. 1.5 Cr.

STAR PERFORMER for KREPL

Mr. Ram Dayal Dangi

Mr. Ram Dayal Dangi JAI-084 joined us recently on the second of May 2019. He has come from Rallis, India.

Mr. Ram is a highly motivated, skilled and efficient worker. He is very sincere and driven at work and is an inspiration to his fellow employees. He is a pleasure to work with and is always ever-ready to help a fellow employee in need of assistance. He is a very hard worker and a good team player.

We wish him a very bright future with Krepl and also wish him well.

STAR PERFORMER for KREPL

Mr. Rajeev Nain

The efforts of Mr. Rajeev Nain JAI-074 Assistant Area Manager Kota was excellent to achieve this milestone.

He is very hardworking and sincerely devoted to his work and ever ready to perform any desired task requested of him. He is a focused driven team player and helps motivate his fellow employees perform well. We wish him a very bright future.

GSFC Agrotech Training Programme

The training programme was held on 4th June 2019 at Vadodara-Hotel Surya and 7th June 2019 at Ahmedabad-Hotel Kells. The objective was to introduce with ALSC company, share the strength of Agro Power and showcase the crop protection range of ALSC.

Field Assistant training

Imparting training and updating of knowledge is a very important key factor in the marketing. The field assistants are the last line of communication in our marketing channel with the end customers. So they should be regularly and properly trained, in continuing the endeavour a program was arranged on 19th APRIL at Lucknow. We briefed the technical and USP of our 10 focus products with which they should be working in the field. Different slides and live samples were shown to them for making the understanding better. There was also a basic training session where how to select and lay the demonstrations, how to conduct farmers meet, and dos and dont's in the field. It was made sure that conducting demonstrations and farmers meeting are still the best tool to convince a farmer and branding is the most important activity. We also made them play some games to understand team work, communication, follow up process etc.

Lastly a 15 minutes written and 2 - 3 minutes extempore was arranged. Those who failed miserably were discontinued at the spot. Total 48 persons participated.

A glimpse of the Distributor meet-Haryana

In This meeting our President Mr. Suresh Reddy participated along with Business Head Mr. Surinder Mattoo. Also, Mr. Ashok Kr. Suneha Business Development Manager was present.

From Team Haryana R B M-Mr. R K Phutela, Mr. Surender Sharma, Mr. Ashwani Pandita and Mr. Krishan Kumar (SND) with their front line staff were present. Mr. Ashok gave the technical details of our product K - Max and also gave the information about new products. Also explained the Activities done by Punjab team at Field level.

On the behalf of sales performance following Distributors got Awards :-

1. Royal Trading Company, Ratia
2. Dhanraj Dharniya aand company, Dabwali
3. Alok Khad Bhabdar, Kanina

Also on the Behalf of Sales Performance following staff got awards :-

1. Mr. Soman Singh, Rohtak
2. Mr. Sanjeev Sharma, Sirsa
3. Mr. Jagtaar Singh, Ratia

Over all it was a great interaction with the distributors and create a lot of positive vibration among all the participants.

A glimpse of the Distributor meet-Punjab

In This meeting our President Mr. Suresh Reddy also participated along with Business Head Mr. Surinder Mattoo. Mr. Ashok Kr. Suneha Business Development Manager-was also there.

From Team Punjab Mr. D S Jadon (State marketing Manager - PB) along with R B M- Mr. Jagroop Singh, Mr. Vipul Kumar, and Dr. Chhote Lal with their front line staff were present.

On behalf of sales performance the following distributors got awards :-

1. United Pesticide and Fertilizer, Jagroan
2. Sharma & Company Khad Bhandar, Jhhunir
3. Gur Parsad Pesticide, Kot Kapura.

Also behalf of sales performance the following staff got awards :-

1. Mr. Sikandar Singh, Raikot
2. Mr. Kulbeer Singh, Phagwara
3. Mr. Giyan Singh, Kapurthala

Over all it was a great interaction with the distributors and created a lot of positive vibration among all the participants.

Distribution of gold coins

As part of the Dealer schemes, Gold coins were distributed among Dealers in the state of Uttar Pradesh which brought on bright and happy smiles to their faces.

New Fiscal Year : New Initiatives

With the new Fiscal year 2019-2020 Krishi Rasayan has decided to launch some new initiatives. Krishaj Kisan Kendra (KKK)-provides training and demo of products to the farmers across the country. Krishaj Dangal is an initiative in which annual sports tournaments will be organized at village level. Adopt a Village campaign is about adopting a few farmers from each village and help them double their income and grow. Krishaj Mitra is a Toll Free helpline number for farmers and channel partners as a support system.

Inauguration of new office/godown at Lucknow

Ultimately, our dream came true. We constructed our own office/godown at Lucknow in 5000 sft area. It is a 4 storey building with a basement. All the flagship companies like KREPL, ALSC, TPS will have their own go downs and offices under one roof. The grand opening was done on 7th of May on the auspicious occasion of akshaytritiya. The puja Havan and satyanarayan katha was religiously attended and participated by our president Mr. Reddy, all the near by staff of KREPL and ALSC. The dignitaries like ADDL. director agriculture, PPO and GM of Bayer crop science graced the function along with some key distributors. The puja was followed by prasad and bhandara where all the masons and workers who constructed the building were specially invited.

Mr Reddy very enthusiastically distributed the puri sabzi laddoo in bhandara and actively participated in all activities including finishing off the puri laddoo inventory.

Lastly all of us missed our Executive Director Rajeshjee very very much. It was his constant endeavour which made the fabulous work done so easily.

PEST PROBLEMS AFTER HEAVY RAINS AND THEIR CONTROL

Many parts of our country face a heavy rains during rainy season each year. Water logging is common and the roads become heavily flooded. Rain water damages many low lying areas as it enters offices, houses and other living structures. The life seems slowed down.

Pest Problems after heavy rain:

Rodent Problems:

The flood water reaches the shelters cracks and crevices, holes and resting sites of pests. The rodents face a sudden emergency as water enters their hidings in burrows. They try to enter the building and human dwellings. In some areas the rodents become the main problem.

Ant Problem:

As water floods their underground nests, ants become very common after rains and flooding. They try to reach dry areas and cling together to cross the flowing water. They invade houses and become problem contaminate the eatable food materials. Carpenter ants and fire ants become a major issues.

Fly Problem:

When the sewage is overflowing and other dirt and excreta also enters the water stream the flies are attracted to it. The filth flies start laying eggs on rotting organic materials. Their lifecycle is very short and the fly population may explode during rains and flood.

Mosquito Problem:

Mosquitoes breed in water and rain brings water logging in many places. Water is filled in ditches, artificial and natural containers. It provide large number of breeding grounds for the mosquitoes.

Other Pests:

Snakes, scorpions, millipedes and centipedes can invade the houses and can pose serious problems..

Diseases Outbreak:

There is a high risk of diseases like cholera and diarrhea infections during heavy rain and flood. Dengue fever, malaria, E.coli, salmonella, and asthma are just a few that can make a healthy person sick. There is potential danger for asthma attacks, respiratory diseases, rodent allergens, bacteria and food contamination other germs spread by pests.

Prevention and Control:

1. Close the entry Points to stop the pests entry and maintain sanitation inside and around the houses. Stop the Moisture and Leaks.
2. Call a professional pest control, they will install a strong chemical barrier around your house. It will repel or kill the smaller pests like insects, centipedes and millipedes. Pesticide application should be done only by experienced applicators and safe products should be used inside the houses.
3. Treatment with a Microbial Disinfectant is a must after very heavy rain or flooding to control the deadly bacteria, germs and fungus. Truly Pest Solution Pvt. Ltd. has a highly effective surface microbial disinfectant that controls the germs and, bacteria for a month.

FEW NEW CLIENTS THAT WE HAVE ADDED ARE:

- 1. TATA ADVANCED SYSTEM LIMITED** MANUFACTURING PARTS FOR BOEING. IT IS THE MOST PRESTIGIOUS CLIENT FOR US.
- 2. GOLDEN CHOCOLATE FACTORY** MANUFACTURERS FOR CHOCOPIE & OTHER INTERNATIONAL CHOCOLATE BRANDS.
- 3. ITC WELCOME HOTEL, VADODARA** ONE OF THE LEADING HOSPITALITY CHAINS

WE WELCOME
